TEAROUT / REINSTALL CHECKLIST:

• All PLUMBING & GAS need to be disconnected before the crew shows up on Monday for the tear out.

• After plumbing has been disconnected – DO NOT RUN THE DISHWASHER

• Clean off the top of all countertops prior to crew showing up for tear out.

• Take the cabinet drawers out and cover bottom of cabinets with sheets/towels to prevent debris from getting on anything inside.

Thanks so much and we look forward to working with you!
